Infrastructure type or project	Exclusions
Environmental Improvements <ul style="list-style-type: none"> • Strategic flood risk infrastructure • Pollution abatement infrastructure 	Improvements which are directly related to a specific development site.

Where site-specific exclusions are identified, they will be subject to statutory tests set out under Regulation 122 of the Community Infrastructure Levy Regulations 2010 (as amended), which stipulates the following:

“A planning obligation may only constitute a reason for granting planning permission for the development if the obligation is –

- a) necessary to make the development acceptable in planning terms
- b) directly related to the development; and
- c) fairly and reasonably related in scale and kind to the development”.

Please note:

The inclusion of a project or type of infrastructure on the list does not signify a commitment from the Council to fund (either in whole or part) the listed project or type of infrastructure. The order of the list does not imply any preference or priority.

Future updates of this list will take place on a periodic basis and will have regard to:

- updates to the Council's Infrastructure Delivery Plan
- changes to the CIL regulations
