What information should I provide?

- Whilst applications can be considered from different companies, the Trust Fund has agreements in place with **Argos** (*Brooklands Store in Weybridge*), **Molesey Refrigeration**, **Surrey Reuse Network**, **Carpentryright in Walton on Thames**, **Webster Floors**, **Hersham** and **Ashley Flooring, Walton on Thames** to supply the majority of goods.
- For items such as carpets/flooring, you will need to include a quote from a supplier (please see above) and if the flooring is for more than one room, a clear breakdown of the cost per room is required. Please note that the Trustees have set a limit of up to £500 for carpeting/flooring therefore if the value is greater than this amount, it is less likely that the charity will be able to meet your request however, each application is considered on its merit.
- For furniture and household items/services, please include details of the item from the supplier's catalogue or website showing the item number and full price. The average grant awarded to successful applicants is approximately £200-£300 for household items.
- Any supporting information which you think would be helpful (e.g. letters from health professionals, case workers, schools).
- If you are requesting assistance for more than one item, please place these in a priority need order as the Trustees will use this information when determining the application. Please note that as the Mayor of Elmbridge Trust Fund is a charity, financial assistance may be limited in order to assist as many applicants as possible.
