

Councillors are elected for four year terms of office. The dates below show when each Councillor's term of office ends. At that time, the serving Councillor may decide to stand for re-election, or may step down.

The next Borough elections will be in 2019. Elections ordinarily take place on the first Thursday in May. A list of all candidates for forthcoming elections is published approximately three weeks before the election.

From time to time seats may fall vacant before an election is due. If this happens, byelections may occur, in which case the newly elected Councillor will serve for the remainder of the original term.
