
COVID-19 Play area guidance

Please make sure you stay safe when using this play area:

- This equipment is checked regularly for damage and wear and tear but is not sanitised or disinfected. Make sure you have hand sanitiser with you before entering the playground.
- This is shared equipment, used at your own risk.
- Do not visit this play area if you or any member of your household has coronavirus symptoms or are self-isolating.
- Children should not use this equipment if they are clinically or extremely clinically vulnerable.
- Encourage everyone in your family to use hand sanitiser regularly and as a minimum before and after using the playground. Remember to wash your hands thoroughly with soap and water when you get home.
- Encourage children not to touch their faces when playing in the playground
- You **MUST** maintain social distancing from others unless they are from the same household - maintain at least 1m and consider wearing a face covering.
- Some equipment can only be used by one child at a time while social distancing. Please ensure your family waits at a safe distance if the equipment is in use or return later to use the equipment
- Try to avoid busy times.
- Take any LITTER home with you when bins are full
- Please note the playground or part of the playground may be closed for a temporary period for carrying out essential maintenance.

We hope you enjoy using the playground and thank you for helping to keep everyone safe by always following these simple instructions.
