

Elmbridge Dementia Services at Thames Ditton Centre for the Community

events

Welcome

Elmbridge Dementia Services offers you a warm welcome at the Thames Ditton Community Centre. Our specialist team provides respite for carers and social day care groups for people living with dementia.

We have a busy programme of events over the next few months including special lunches and events to mark Armed Forces Day. Please look out for details on our noticeboard.

In September we are starting a new bi-monthly “Coffee and Chat” support group for carers of people in the earlier stages of dementia as well as the popular monthly “Coffee and Chat” support group for advanced dementia.
