

Claygate Centre for the Community

events

At Claygate Centre for the Community, we offer a whole host of weekly events and activities, from exercise classes and quizzes to live entertainment afternoons, as well as 3-course lunches for just £5.40. Pop in for some pampering with our hair and beauty therapists, or catch up with friends at our Community Café.

All this and more is available with an annual membership of £18 for Elmbridge residents, so why not come round and see what's on offer?

We look forward to welcoming you.
