Representations received in respect of the Polling district and polling place review 2018

Ward: Molesey West

As someone who regularly tells at the polling stations in Ray Road, I have to tell you how much confusion there is. You use Henrietta Parker and the Youth Centre right next to one another.

Every year I spend most of my time guiding people to the other Polling Station which is very frustrating for them, particularly if they are elderly or have walking difficulties.

Is there not room in one or other venue to house the whole ward?
