

Representations received in respect of the Polling district and polling place review 2018

Ward: Walton Central

Councillor Andrew Kelly

JA - Support

JB - Support, though Elmgrove Hall is not ideal. The Hall is hidden away somewhat and the parking is not always ideal. Ideally it would relocate to St Andrew's Church Hall, Hersham Road which is within the polling district and more suitable. However, I appreciate Walton South LA votes there and I cannot think of a suitable alternative for that polling station.

JC - I appreciate this polling district is a legal required due to the constituency boundary. However, I think we are all aware of how quiet that polling station is on Election Day with just over 200 electors registered there. For local elections I think merging this station with JB would be preferable in terms of staffing and viability.
