Councillors have already expressed interest with this scheme, with a combined benefit of a reduction of carbon emission and greatly lowered fuel costs compared to our current provider. There has also been interest from 'Amey' and neighbouring boroughs of using this fuel. Therefore, there may be an opportunity for joint working which may reduce costs further with increased bulk purchase.	26/10/2020	TBC	Direct	14,482.05	25/05/2025
