Elmbridge Cycle Rides

Our group cycle rides welcome anyone competent on a bike, who would like to cycle in a social group to benefit their general wellbeing, be active, and explore the local area. All rides are free.

The weekly rides are led by trained and experienced volunteers. The routes vary in terms of time and length, but all rides are at a gentle pace. Our ride routes largely make the most of the local cycle ways, such as the Thames towpath and cycle lanes, and we do not take groups on busy roads and junctions. All rides have a stop halfway to rest, refuel and socialise so you will not be cycling constantly. If you fall behind, don't worry – your group will wait for you at the next junction or safe place to stop.

Rider's responsibility

- If you are new to our cycle rides, please arrive 10 minutes early and let the leader know. You will be asked to fill out a new cyclist registration form.
- Keep in mind our leaders are volunteers. Be respectful, listen carefully to any instructions they give and let them lead.
- If you wish to leave the ride, let the ride leader know first.
- Your leader will direct the group during the ride; however, **you cycle at your own risk and are responsible for your own safety.**
- Abide by the Highway and Countryside Codes – never ride more than two abreast except when passing. Shout 'Passing!' if you do so.
- Show courtesy to other cycle path, towpath and road users and be a good ambassador for cycling.
- Be alert to what other riders around you are doing and do not get too close to them. Ideally, leave a gap of 2 bike lengths.
- Shout 'Slowing!' or 'Stopping!' if necessary – smooth, gentle manoeuvres work best.

What should I bring on a group ride?

- Any appropriate bike in good working order. If in doubt, have it checked over by a local bike shop or qualified mechanic.
- Dress for the weather and bring a spare layer.
- All rides have café stops so bring money / card.
- It is advisable to carry a spare inner tube, pump and tyre levers in case of a puncture.
- At the start of the ride, you will be asked to complete a register with your emergency contact details.
