Borough Council

Notice of publication of audited statement of accounts 2023/24

Local Audit and Accountability Act 2014 Accounts and Audit Regulations 2015

Notice is hereby given that the audit of the Council's Statement of Accounts for the year ended 31 March 2024 was completed on the 27 February 2025 and a copy of the auditor's report is included in the Statement of Accounts document published on our website.

Regulation 16(1) of The Accounts and Audit Regulations 2015, requires the Council to publish a statement when the whole audit has been concluded. We cannot publish this statement yet, as our auditor cannot formally conclude the wider audit and issue an audit certificate until they have completed the work in relation to consolidation returns, Whole of Government Accounts (WGA), and the National Audit Office has concluded their work in respect of WGA.

That notice of conclusion of the audit will be added to the website alongside our audit certificate in due course when it is issued by our auditors.
